Heather's Healthy Tuna

This uses ingredients I always have on hand and is a quick go-to meal in our home. We love it served as a tuna melt in colder weather, or scooped into a romaine lettuce leaf in summer.

Serves: 4

Serving size: ½ cup

Ingredients

- 2 cans (5 ounces each) chunk light tuna (in water or in oil)
- 1/4 cup carrot, grated
- ½ cup celery, chopped finely
- 1/4 cup onion or shallot, chopped finely
- 2 tablespoons mayonnaise
- ½ teaspoon dried or 1 tablespoon fresh dill
- 1/4 teaspoon garlic powder
- 1/4 teaspoon fresh ground pepper

Instructions

- 1. Drain tuna and put into a small mixing bowl. Stir in remaining ingredients.
- 2. Serve on salad or a whole gain (such as a 100% whole wheat English muffin, pita, tortilla, bread, or cracker).
